

2010

National Conference

Regal Sun Resort
Downtown Disney Resort Area
Lake Buena Vista, FL

March 20 – March 24, 2010

Thursday, October 15, 2009

To all OATHA Members and Vendors,

I hope this letter finds you all well. As you can see, our preparations are well under way for our Annual Conference in 2010. We will again be holding our conference at the beautiful Regal Sun Resort in the Walt Disney World Downtown Disney Resort Area, Lake Buena Vista Florida. This hotel is located across the street from the popular Downtown Disney area and is an Official Walt Disney Hotel.

I have recently confirmed that HUD will again own one entire day of the agenda as they have in the past, (we are still working out what day that will be!) We will continue to provide other sessions on the agenda from OATHA members, and vendor sessions that provide us updated information about important technology topics of the day.

Additionally, we have finalized an outstanding special event for our conference this year. While we have had some great special events in the past, I guarantee this one to surpass any that we have done before.

Again in 2010, we will not be holding a Vendor Exhibition. Our vendors have continued to support this group and sponsor our conference, even through years where our attendance has continued to decline, making their Vendor Expo less likely to be a benefit. However, we are inviting our vendors to join us as attendees to our conference in 2010. (We still feel it is very important for our vendors to have the opportunity to attend our HUD sessions.) Additionally, we will make spots on the agenda available to our vendors for Case Studies, Product Demonstrations, or other types of sessions. This will allow our vendors to still have the opportunity to present to our attendees and continue their participation in OATHA, without the expense of setting up and manning a booth.

I hope you all mark the dates of March 20 – 24, 2010 on your calendar to attend our conference. Our group is counting on our members attending this conference to our group going strong. If you have any questions about the information in this packet, or about our conference in general please contact Jim Loos at 402-434-5568 or jiml@l-housing.com. You may also visit our website at www.oatha.org for up to the minute information on our conference.
